Dnyaneshwari Kale

PERMENENT ADDRESS: A/P: Pimpri(BK), Tal: Parli vaijnath, Dist: Beed, Pin: 431122

EMAIL-ID: kdnyaneshwari192@gmail.com

LINKED-ID: https://www.linkedin.com/in/dnyaneshwari-kale-423689235

MOBILE NO: +91 9146935766

OBJECTIVE: Use the skills acquired during the years of my technical education and sharpen my skills by being a part of progressive and leading company.

ACADEMIC QUALIFICATION:

Sr. No	Educational Qualification	University/Board	Year of passing	Marks(%)/CGPA/10
1	Bachelors of Engineering(AI&DS)	SPPU	2024	8.66
2	Diploma(CO)	MSBTE	2021	83.89
3	HSC	State Board	2019	57.08
4	SSC	State Board	2017	84.40

INTERNSHIP EXPERIENCE:

- **MARVIKA Network pvt. Ltd**
  Intern(Android development)
  Learn Android studio and Java.
- **Pantech E-Learning**
  Intern(Data Science)
  Learn Data Science tools and Techniques also perform statistical and computational operations using python programming language.
- **TaShin technology pvt. Ltd**
  Intern(Python Programming) Learn python programming language and algorithms.Alsolearn about data structures.

PROJECTS:

- E-commerce Application using Android Studio
- Dice Rolling Stimulation.
- Railway Reservation System.
- Vehicle Detection and Counting System using Computer Vision.'
- 3D Animation Generation Using Deep Learning.

SKILLS:

Technical Skills:

- Programming luanguages: C++, HTML, CSS, Python, SQL.
- Libraries: NumPy, Matplotlib, Seaborn, Scikit-learn.
- Algorithms: Regression, Classification.
- Tools/Technologies: Cloud Computing, Power BI, Machine Learning, Deep Learning, Natural Language Processing(NLP).

Soft Skills:

- Problem-solving
- Communication Skills
- Time Management

LANGUAGE:

- English
- Hindi
- Marathi

CERTIFICATES:

- **Level Up: Python**
- **Android Development**
- **Accenture : Artificial Intelligence**
- **Accenture: Digital Marketing**
- **PanTech e Learning: DataScience**
